TOWN WARRANT TOWN OF LEMPSTER State of New Hampshire 1990

To the inhabitants of the Town of Lempster, in the county of Sullivan, in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said Lempster, on Tuesday the 13th day of March at one o'clock in the afternoon to open the polls for voting for candidates, and at seven o'clock in the evening for the discussion of the Artricles of the Warrant.

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

ARTICLE 2: To receive all reports and act thereon.

ARTICLE 3: To see if the Town will authorize the Selectmen to borrow money for the Town in anticipation of taxes.

ARTICLE 4: Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service connected total disability? The optional disability exemptions is \$1,400 rather than the existing \$700 exemption.

ARTICLE 5: Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans exemption and expanded qualifying war service for veterans seeking the exemption? The optional veterans exemption is \$100 rather than the existing \$50 exemption.

ARTICLE 6: To see if the Town will vote to adopt the following Floodplain Development Ordinance:

The following regulations, to be enforced by the Building Inspector, shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency on the "Flood Hazard Boundary Map" (FHMA) for the Town of Lempster, N.H. dated May 18, 1979 which is declared a part of this ordinance.

SECTION 1: The Building Inspector shall maintain for public inspection, and furnish upon request, any certification of flood-proofing and the as built elevation (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures, and include whether or not such structures contain a basement. If the structure has been floodproofed, the as built elevation (in relation to mean sea level) to which the structure was floodproofed. This information must be furnished by the applicant.

SECTION 2: The Building Inspector shall review proposed developments to assure that all necessary permits have been received from those governmental agencies from which approval is required by federal or state law, including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U.S.C. 1334. It shall be the responsibility of the applicant to certify these assurances to the Building Inspector.

SECTION 3: A. In riverline situations, prior to the alteration or relocation of a watercourse the applicant for such authorization shall notify the Wetlands Board of the New Hampshire Environmental Services Department and submit copies of such notification to the Building Inspector. Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Building Inspector.

B. The applicant shall submit to the Building Inspector, certification provided by a registered professional engineer, assuring that the flood carrying capacity

of an altered or relocated watercourse can and will be maintained.

C. Along watercourses with a designated Regulatory Floodway, no encroachments, including fill, new construction, substantial improvements, and other development are allowed with the floodway that would result in any increase in flood levels within the community during the base flood discharge. In zone A the Building Inspector shall obtain, review, and reasonably utilize any floodway data available from Federal, State, or other sources as criteria for requiring that development meet the floodway requirements of this section.

SECTION 4: A. In special flood hazard areas the Building Inspector shall determine the 100 year flood elevation in the following order of precedence according to the data available: (1) In zones A1-30, AH, AE, refer to the elevation data provided in the communities Flood Insurance Study and accompanying FIRM and FHBM. (2) In unnumbered A zones, the Building Inspector shall obtain, review, and reasonably utilize any 100 year flood elevation data available from; federal, state, development proposals submitted to the community (i.e. subdiviions, site aprovals) or other source.

B. The Building Inspector's 100 year flood elevation determination will be used as criteria for requiring in zones A, A1-30, AH, AO and A that: (1) All new construction or substantial improvement of residential structures have the lowest floor including basement) elevated to or above the 100 year flood elevation; (2) That all new construction or substantial improvement of nonresidential structures have the lowest floor (including basement) elevated to or above the 100 year flood level; or together with attendant utility and sanitary facilities, shall: (i) be flood proofed so that below the 100 year flood elevation the structure is watertight with walls substantially impermeable to the passage of water; (ii) have structural components capable of resisting hydrostatic and hydrodynmac loads and the effects of buoyancy; and (iii) be certified by a registered professional engineer or architect that the design and methods of construction are in accordance with accepted standards of practice for meeting the provisions of this section; (3) All manufactured homes to be placed or substantially improved within special flood hazard areas shall be elevated on a permanent foundation such that the lowest floor of the manufactured home is at or above the base flood level; and be securely anchored to resist flotation, collapse, or lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces; (4) For all new construction and substantial improvements, fully enclosed areas below the lowest floor that are subject to flooding requirements: (a) the enclosed area is unfinished or flood resistant, usable solely for the parking of vehicles, building access or storage; (b) The area is not a basement; (c) shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. Designs for meeting this requirement must either be certified by a registered professional engineer or architect or must meet or exceed the following minimum criteria: A minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, or other coverings or devices provided that they permit the automatic entry and exit of floodwaters.

(The above represents additions by the Federal Government (FEMA) since the original articles were passed at the 1977 Town Meeting.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$391,835 for general town operation:

TOTAL

ARTICLE 5: To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31-95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money.

Motion made by Lyn Bergeron - Seconded by Patricia Nash Motion carried unanimously.

ARTICLE 6: To see if the Town will vote to authorize the selectmen to adopt an ordinance governing the disposal of solid waste and recyclable materials at the town Transfer Station and Recycling Center.

Motion made by Rudy Adler - Seconded by Don Cunningham

There was much discussion. Question was called by Kevin Onnela, seconded by Ralph Keeler and carried unanimously be meeting. The article was voted on by a show of hands. In favor - 43. Opposed - 87.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of thirty three thousand dollars (\$33,000) to purchase a four wheel drive plow truck and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than twenty seven thousand dollars (\$27,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon: furthermore, to authorize the withdrawal of six thousand dollars (\$6,000) from the Highway Equipment Capital Reserve Fund created for this purpose. (2/3 Ballot Vote Required)

Motion made by Phyllis Clark — Seconded by Henry Frank

There was much discussion. The question was called by Gardiner Stetson.

Seconded by Mark Casey and passed unanimously by the Town. The article passed by a 2/3rds vote by paper ballot. 136 Yes: 16 No.

ARTICLE 8: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Highway Road Grader and to raise and appropriate the sum of two thousand dollars (\$2,000) to be placed in this fund. (Majority vote required)

Motion made by Mark Casey - Seconded by Ralph Keeler

Discussion followed. Question called by Don Cunningham, seconded by Bob Falkenburg, unanimously passed by the Town.

Motion carried — almost unanimous.

ARTICLE 9: To see if the Town will vote to change the purpose of the existing Highway Equipment Capital Reserve Fund to the Highway Department Sanding Truck Capital Reserve Fund. (2/3 vote required)

Motion made by Mark Adams - Seconded by Lyn Bergeron

Motion carried with no objections.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Highway Department Sanding

Truck Capital Reserve Fund previously established. (Majority Vote Required) Motion made by Michael Shklar. - Seconded by Mark Adams Motion carrired unanimously.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for the purchase of a pumper/tanker truck to be used for fire protection, and said sum to be in addition to any federal, state or private funds made available therefore, and to authorize the issuance of not more than ninety thousand dollars (\$90,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to determine the rate of interest thereon, with the balance of ten thousand dollars (\$10,000) to be raised by general taxation. (2/3 Ballot Vote Required)

Motion made by Phil Tirrell - Seconded by Rudy Adler

Discussion followed. Question called by Bob Falkenburg, seconded by Dave Williams and passed unanimously by Town.

Vote followed. 147 ballots cast: 79 Yes, 68 No. Article defeated.

ARTICLE 12: To see if the Town will authorize the establishment of a capital reserve fund (pursuant to RSA Chapter 35) for the future revaluation of the town and to raise and appropriate the sum of five thousand dollars (\$5,000) towards this purpose, to appoint the Selectmen as agents to administer the fund and to authorize the use/transfer of the December 31, 1988 fund balance for this purpose. (Majority Vote Required)

Motion made by Lisa Adler - Seconded by John Michaels

Motion carried unanimously.

ARTICLE 13: To see if the Town will authorize the Selectmen to engage the services of an Admnistrator/Business Manager, to assist in the necessary administrative tasks required of municipal government and to raise and appropriate the sum of eight thousand dollars (\$8,000) for that purpose.

Motion made by Henry Frank - Seconded by Mark Casey

Amendment made to the effect that the Selectmen could spend up to \$10,000 by Lyn Bergeron and seconded by Ken Wilson. Amendment defeated unanimously. Original article passed almost unanimously.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of sixteen thousand dolars (\$16,000) to complete the closure plan for the former town landfill on Lovejov Road.

Motion made by Michale Sklar - Seconded by Dave Williams

Question called by Don Cunningham to stop discussion. Seconded by Michael Shklar. Passed by the Town.

Article passed.

ARTICLE 15: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of closing the former landfill and to raise and appropriate the sum of four thousand dollars (\$4,000) to be placed in this fund. (Majority Vote Required)

Motion made by Mark Casey - Seconded by Dave Williams

Motion carried almost unanimously.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) for survey, additional monitoring wells and preliminary design work for the Lempster Transfer and Recycling Facility on Lovejoy Road.

Motion made by Gardner Stetson - Seconded by John Fabrycky

Motion carried almost unanimously.

ARTICLE 17: To see if the Town will vote to establish a Capital Reserve fund under the provisions of RSA 35:1 for the purpose of constructing buildings and purchasing equipment for the Solid Waste Transfer Station and Recycling Facil-

ity and to raise and appropriate the sum of seven thousand dollars (\$7,000) towards this purpose and to authorize the use/transfer of the December 31, 1988 fund balance for this purpose. (Majority Vote Required) Motion made by Dave Williams - Seconded by Don Cunningham Motion carried.

ARTICLE 18: To see if the Town will vote to raise and appropriate fifty thousand dollars (\$50,000) for reconstruction of town roads. Said work to be funded by State Highway Block Grant monies.

Motion made by Edna Chandler - Seconded by Hugh Jacob.

Question called by Don Cunningham to end discussion. Seconded by Michael Shklar. Passed by Town.

Article 18 passed.

ARTICLE 19: To see if the Town will vote to exchange 53 acres, more or less, of Town Forest on the southeast corner of Lempster at the Washington town boundary, being a portion of Lot 15-114.158, for 43 acres, more or less, of land at the north end of Duck Pond, owned by the John P. Wright Trust, identified as lot 12-133.006, the latter to be added to the adjacent town forest in order that the Town may own all the shoreline of said pond and therefore protect and preserve the natural habitat of the area.

Motion made by Michael Shklar - Seconded by Emily Fairweather Motion carried almost unanimously.

ARTICLE 20: To see if the Town will vote to authorize the Selectmen to exchange 2.0 acres of wetland for 1.4 acres, more or less, of land facing Lovejoy Road to be used as a part of a solid waste transfer station and recycling facility in conjunction with the lot the town owns.

Motion made by John Fabrycky - Seconded by Bruce Fairweather Amendment proposed by Henry Frank and seconded by Phyllis Clark.

Article as amended would read: To see if the Town will vote to authorize the Selectmen to exchange 4.0 acres of wetland for 4.0 acres, more or less, of land facing Lovejoy Road to be used as a part of a solid waste transfer station and recycling facility in conjunction with the lot the Town owns.

Amendment carried.

Article as amended carried almost unanimously.

ARTICLE 21: To see if the Town will vote to grant to the Board of Selectmen the authority to grant, renew, amend or rescind for cause franchises for the installation and operation of cable television systems in accordance with the provisions of RSA 53-C within the geographical limits of the Town of Lempster.

Motion made by Dave Williams - Seconded by Ricky Shepherd

53 in favor, 34 opposed, Motion carried.

ARTICLE 22: To see if the Town will vote to accept a donation from the KREA Corporation of .53 acres in back of and to be annexed to the land of the Town of Lempster currently used as the Lempster Fire Station.

Motion made by Jim Grenier - Seconded John Fabrycky

Motion carried unanimously.

ARTICLE 23: To see if the Town will vote to authorize the Board of Selectmen to sell to Deborah Stone, at a fair price to be determined by the Selectmen, a tract of land, four acres more or less, which abuts her property on the easterly side of Hurd Road, so as to square off the property; the tract of land to be generally identified by the Board of Selectmen and to be more specifically defined by a survey commission d by Deborah Stone; Deborah Stone to pay for all costs attendant to the sale and purchase, including but not limited to the survey, preparation of deed, real estate transfer stamps, if any, and recording.

Motion made by Jim Morone - Seconded by Deborah Stone

Motion carried almost unanimously.

ARTICLE 24: To see if the Town will vote to accept for the Cemetery Trust Funds the sum of three hundred dollars (\$300.00) to be known as the Graham Clayton Trust Fund.

Motion made by Don Cunningham - Seconded by Pat Nash

Motion carried unanimously.

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of five hundred dolars (\$500) as a donation towards the Newport Senior Citizens Center Building Fund.

Motin made by Phil Tirrell - Seconded by Kevin Onnela Motion passed unanimously.

ARTICLE 26: To transact any other business that may legally come before said meeting.

Gardiner Stetson presented a motion to create a committee to advise the Selectmen on the purchase of the new Town truck and to investigate the benefits of contracting annual highway maintenance as an alternative to suporting a highway department. One of the requirements is that the road agent be one of the committee members. Kevin Onnela seconded the motion. The vote was not legally binding but a sense of the meeting. Motion passed unanimously. Interested parties made themselves known to Everett Thurber, Selectman.

Carole Stamatakis said that the Trust for New Hampshire Lands is interested in working with anyone who would like to preserve lands. Contact Carole if you are interested.

Gardiner Stetson made a motion that the Town raise and appropriate \$6,000 for this year's annual monitoring well testing samples. George Nash seconded the motion. This was enough for biennual testing, not 4 times as the State requires. Stetson believes that the samples have been so good that two times would be sufficient. The sense of the meeting is to encourage the Selectmen to test the monitoring wells two times instead of four.

Phil Tirrell asked for reconsideration of Article 11 at a reduced rate. After discussion as to whether it was possible or not, 45 were in favor and 50 opposed. Barbara Weir asked for a clarification of the statement by the accountant on page 38. Mr. Hathaway, the County Attorney, said that there would be a conclusion of the matter within the next month and a half.

Motion made by Gardiner Stetson, seconded by Kevin Onnela and passed by the Town that the meeting be adjourned.

Respectfully submitted, Barbara Weir Town Clerk

AUDITOR'S REPORT 1989

September 20, 1989 Board of Selectmen Town of Lempster Lempster, NH 03605

Gentlemen:

I have examined the records regarding income and expenses for the various Town departments, including the Tax Collector, Town Clerk, Town Treasurer, Town Library, and Town Trusts, and have reconciled these statements with the appropriate bank statements. There were no major discrepancies noted and the Town accounts appear to be well managed and with adequate internal controls.

The following are specific recommendations:

- 1. All year end reports should be on a cash basis, not accrual. It is suggested that any bills received before the end of the calendar year be paid by December 31, and that any deposits received be similarly deposited by December 31. This will simplify the preparation of reports and also the auditing process.
- As mentioned in previous audits, there is a time lag between receipts, particularly taxes, and deposits, sometimes as much as two weeks. This is reducing the income to the town from interest and should be kept to a minimum.
- 3. For 1988, the Lake Sunapee Savings Bank Statements for the general town account listed many of the checks as No. 99999. This is unacceptable and makes the audit trail very difficult, let alone reconciling the books. If this problem has not been corrected, it should be brought to their attention.
- 4. The Town Treasurer, the Head of the Library Trust, and the Trustees of Trusts should all keep a running balance in their checking accounts and reconcile these monthly with the bank statements. This is not currently being done.
- 5. The Town Clerk should keep a ledger record of all funds received and their disposition: to the State, Town or Town Clerk. There is currently no record of funds retained by the Clerk.
- 6. The Library would gain about \$125 a year by switching to a money market NOW account, as is used by the Trust Trustees. The Library currently has a non-interest bearing account with an average of \$2,500 on deposit. The Library accounts indicate a credit of \$173.35 with New London Fuel at the end of 1988, such credits should be added to the balance sheet for 1988. The Library account is missing a check deposit from the State of NH in the sum of \$109. This deposit was recorded in the ledger but apparently not received at the bank. Mrs. Roberts is currently tracing this. A monthly reconciliation of the bank statement would have picked this up in June of 1988.
- 7. The Trustees of the Trust Funds year end report does not accurately reflect transfers that were made on December 31, 1988. On that date \$10,000 and \$300 were transferred from their money market account into CDs. The overall balance is correct but the breakdown is inaccurate. Also in the Trust accounts there are listed expenses paid of \$590 for Mr. Cunningham, and \$51.73 to the G-L Schools. The \$590 to Mr. Cunningham was not paid until Feb. 1989, and should be included in 1989 expenses. I

can't find a record that the \$51.73 was ever paid to G-L Schools.

These comments are all minor in nature - the overall picture of the town accounts is solid and the accounting accurate.

Respectfully submitted, Donald M. Allen

STATE OF NEW HAMPSHIRE SULLIVAN COUNTY ATTORNEY

November 21, 1989 Henry Frank, Chairman Board of Selectmen, Town of Lempster

RE: STATE V. CHARLENE TRUELL

Dear Mr. Frank:

On November 21, 1989 Charlene Truell appeared at Newport District Court and entered a plea of "Nollo" to a criminal complaint alleging theft by unauthorized taking. Judge Iacopino, following the State's recommendation, entered a finding of "guilty" and sentenced Mrs. Truell to twelve (12) months at the Sullivan County House of Corrections, deferred until November 21, 1990, one (1) year probation with a special condition of probation being restitution to the Town of Lempster in the amount of Nine Thousand Eight Hundred Sixty-Seven and 37/100 (\$9,867.37) Dollars. Mrs. Truell was reserved the right to petition the Court for modification of her sentence after one (1) year. I have enclosed a copy of the criminal complaint, the proposed sentencing order and a check for Nine Thousand Eight Hundred Sixty-Seven and 37/100 (\$9,867.37) Dollars made payable to Town of Lempster, drawn off of Attorney William Cleary's trust account.

I believe that this resolution is consistent with our prior conversations with the Board of Selectmen. If you have any questions, please dont' hesitate to contact me.

Respectfully, Marc B. Hathaway

HIGHWAY DEPARTMENT REPORT 1989

January and February of 1989 brought many severe ice storms to Lempster. Often, freezing rain covered sand as soon as it was spread. A losing battle was waged to keep the roads in good condition, complicated by extensive mechanical breakdowns.

March & April gave us 5 spring snow storms. Mud season was certainly challenging with ice-blocked culverts generously contributing the water they usually carry away to the total mud volume. The winter's light snowfall accounted for much of the excessive ice build-up in culverts.

Severe & continuous summer rain storms attempted to totally eliminate our road system, as we know it. Many roads were repaired over and over again.

Fall was spent trying to finish repairing roads, readying equipment for winter, and putting up the sand/salt pile.

The first snow fell on November 1st. Several snowfalls were plowed and sanded. New Year's Eve brought the year to close with the conditions common to last winter, ice storms.

During the year normal road maintenance was arried out. Several beaver dams and culverts were cleared to maintain proper water flow away from roads. Many downed trees had to be cut up and removed from roadways. Gravel roads were raked. Approximately 2000 yards of bank run gravel was spread on roads. The remainder of our crushed gravel, approximately 400 yards, was spread as a finish on gravel roads. 46 tons of hot-top was purchased for road patching. Some brush cutting and roadside mowing was done. Roughly 20 yards of sand (gravel)) was delivered to Long Pond Beach. (In 1990 a fine textured sand should be purchsed for this use.) 6 driveway sites were viewed and driveway access permits issued. Approximately 8 hours per week of Highway Department time was spent attending the dump, sorting and transporting recycable items. Decking on the Schrenk Road Bridge was replaced with double layer of 3" bridge planks.

An effort was made to do much needed grading and ditching of gravel roads. The work was extremely time consuming. Other pressing needs prevented completion. Some roads were ditched, and I'm well aware there are other roads still in need of extensive work. Some roads have barely enough gravel left on them to be much improved by grading. The purchase of crushed gravel is planned for 1990 to do a more effective job.

As was anticipated, many complaints were received, though happily, many thank-you's and compliments as well. To those of you who have been unsatisfied with road conditions, I offer you a sincere apology for your inconvenience. A seperate telephone line was installed for the Highway Dept. We can be reached at 863-6779, or messages can be left at my home 863-7395.

Approximately 1200 yards of fill was hauled by the Highway Dept. and outside help, from the site of the new school addition, to our land-fill site and spread as a cover to improve the appearance.

Lovejoy Road was paved in August by Pike. Prior to paving prep work was done; replacing culverts, patching, shimming, etc. The vast majority of Article 18's \$50,000 reconstruction funds were spent on the project, with the balance being used on other areas in town.

In an effort to comply with state regulations, the town garage was considerably cleaned up and organized, and many signs were posted around town including: school bus stop, slow children, blind drive, and bridge weight limit signs.

In 1989 a membership was obtained in the Road Agent Association. Through this association some training seminars were attended, some written material received, and VCR tapes were borrowed on road maintenance. One seminar was attended on recycling.

A Truck Committee was formed to advise on the purchase of a new truck voted for in 1989's Article 7. Members included: Harold Whiting, Kevin Onnela, Jim Grenier, Ron Clark, Phil Howard, Burt Weir, John Darrow, Dave Williams and myself. After many meetings, much research and discussion, the decision was reached to purchase a 1990 International Cab and Chassis 4800 Series with a 466 diesel engine and 4-wheel drive. Many thanks to members of the Truck Committee for their time, effort and dedicaiton.

Our new truck arrived in its "naked glory" on November 1st. Unfortunately many weeks, many parts and many hours work were needed to ready it for duty. Work on the new truck was interrupted by snow plowing, sanding and old truck break-downs. In early December a great joy and satisfaction was experienced as roads were plowed and sanded with a brand new truck. On the older equipment, repairs refurbishing and painting was done.

For the Highway Dept., 1989 was a financially difficult year. Severe weather early in the year required the purchase of extra salt and sand. Some sanding was contracted out while town trucks were broken down, and repairs were costly. Forty-one percent of the expense budget was spent by the end of March. (Steps were taken to secure the garage.) Purchase and set-up of the new truck cost the expense budget approximately \$3,837. At year's end, just under \$6,500 in Highway Dept. expenses remained to be paid out of 1990's budget.

I would like to thank all who have been patient, cooperative, helpful and supportive.

Steve Castellano Road Agent

REPORT OF THE BUILDING INSPECTOR TOWN OF LEMPSTER 1989

In 1989 there were 44 building permits issued. This consisted of 10 new houses, 3 mobile homes, besides garages and alterations to existing homes, and also a new school. The total estimated cost for all buildings was \$1,419,000.00

Applications for building permits may be obtained at the Town Office at regular office hours or can be sent through the mail by request.

All applications must meet all State and Town requirements before starting construction. Your cooperation is appreciated.

Respectfully submitted,

Charles S. Dow Building Inspector

REPORT OF THE FIRE CHIEF 1989

The total number of incidents that the fire department responded to this year were 91. Anytime that the fire department is toned out the call has the potential of being a life or death emergency. 37 of the calls required the Rescue to respond. 91 calls, for an all volunteer department is quite a lot. Newport, for instance, has a full time paid chief, 4 full time paid firefighters, and paid call firefighters to answer 250 calls per year. The Lempster firefighters graciously donated 1228 man hours to fire suppressions and rescues this year. That is 30 forty hour work weeks spent at fires and other emergencies. The 1228 hours for fires does not include the 500 hours spent at state fire schools and in-house fire service training. It also doesn't include the 750 hours of work. Each Fire Lieutenant is assigned a crew and shift. This crew is responsible for a complete equipment check every Sunday morning. It is at this time that any problems with trucks, equipment, or radios might be found. The chief officers spend many additional hours on inspections, planning, meetings, and other items pertaining to the operations of the fire department.

This year many hours were spent working with the contractors at the school. The fire department spent at least 2 hours a day at the school from the time of ground breaking until the start of school in September. The efforts of the department with the assistance of the Fire Marshall's office, has made our school as fire safe as possible.

In 1989 we found ourselves in need of a replacement for one of our fire trucks. We presented an article to the town and it was defeated, not by a majority vote, but by a few votes to make the needed two-thirds vote. We have respectfully submitted, for the town's approval, a request for a new truck again this year. Our request is for ten thousand dollars this year with a balance of ninety thousand dollars to be paid in ten yearly installments. Because our article was defeated last year with no chance for a reconsideration we felt it necessary to include an additional three articles to allow for some choice. Two of the articles deal with the purchase or repair of a fire truck. The last article proposes the formation of a capital reserve fund for the future purchase of a fire truck.

The growth of our school is an indicaiton of what is happening to the size of our town. The fire department is in hopes to be able to keep up with the rapid growth and development of the town. More and more requirements are being placed on all departments and ours is being bombarded from both state and federal levels. The NFPA sets standards that should be followed and the insurance companies accept these standards as what is required. They expect us to follow the accepted practices. In the case of a fire fighter injury or fatality, we would be scrutinized to assure that we had followed the accepted standards. Because of of my concern for firefighter safety, I enacted a policy that requires certain minimum equipment that must be worn at all fires and when working on the fire ground. Our insurance company and selectmen were given a copy of the policy.

It is the sincere hope of the fire department that the town be understanding of our needs. The members give so much of their time and expertise providing a twenty-four hour service to their town.

We, the firefighters, realize that taxes are on the rise and as property owners feel the pressures of wondering where the additional money will come from to pay our taxes. The members of the fire department receive no money for their dedicated efforts. We appreciate the needs of all the other departments includ-

ing the school, but we feel in order to continue to provide a quality service we must have the equipment to work with.

Respectfully submitted, Philip J. Tirrell, Chief

LEMPSTER RESCUE SQUAD REPORT 1989

The Lempster Rescue Squad had a very active year with a record number of calls and many hours spent on training and certification courses.

Medical Emergency	7	Choking	2
Head Injuries	1	Broken Limbs	4
Motor Vehicle Accidents	11	Back Injuries	2
Heart Problems	3	Diabetic Problems	3
Lacerations	1	Unconscious	1
Difficulty Breathing	3	Unresponsive	1
Hip Injury	1	Hemorrhaging	1
Possible Structure Fire	2	Disentanglement	1
No Tone	4	TOTAL	48
(Member handles alone)			

When not responding to calls or attending meetings, the squad kept busy with training and certification courses. Nine members attended a Certified Advanced First Aid course and two other members recertified as EMT's for a combined total of 640 man hours. In addition to this, another 89 man hours were spent reviewing rescue techniques such as Water Rescue, Jaws of Life, Backboarding and Patient Assessment.

It's this kind of commitment and dedication that makes me proud to be a member of the Lempster Rescue Squad, and on behalf of the Squad, I would like to thank all of you who have supported us.

Respectfully submitted, Danny B. Morse, Director

LIBRARY TRUSTEES REPORT 1989

Once again the Miner Memorial Library has had a good year. This was made possible by our very able librarian, Emily Fairweather, the Friends of the Library and all of the people of Lempster.

The Friends of the Library welcome new members to join them. Contact Ruth Bowser, President of the Friends, Emily Fairweather, Librarian or any of the Trustees for further information.

The summer reading program was held July 3 through August 23. Ten children participated in an interesting program which provided learning, reading for pleasure and a challenge. Special awards of gift certificates to obtain a book of their choice were awarded at the end of the program. The Trustees wish to thank Paula McKone for her able assistance with the pre-school reading program and Sue Roberts for helping Emily with the summer program.

Our book collection increased by 700 additional volumes. Emily welcomes any suggestions for specific authors, titles in regular or large print. Our main purpose is to provide good reading and educational materials for all ages.

An effort was made to sponsor some community programs of interest. Sue Scalera presented a program on breast cancer. Another program was Kathy Miller who presented some musical ideas. Donna Leslie did a presentation on dried flowers and bow making. Attendance was low at the programs but the interest level was high.

The annual Old Home Day open house at Miner Library was held on August 27th with the Friends of the Library hosting the event.

The book sale was held in conjunction with the Church's bazaar on September second.

A new heating system was installed in the Library just before Christmas and is warming the library well on Mondays and Wednesdays. It warms the building more rapidly and keeps it comfortable while patrons are there reading and choosing books.

Sue Roberts, Treasurer Yvonne House, Secretary Edna L. Chandler, Chairperson

LEMPSTER POLICE DEPARTMENT REPORT TO TOWN 12/31/89

To the residents and taxpayers of the town of Lempster. 1989 has seen a tremendous growth in the number of calls for police services. In 1988 the police department handled 177 calls. This year in 1989 the department had 446 calls, which is an increase of 252% in calls for service.

The department has three new members, Sgt. David Webber, Officers David Condon, and Joseph Mileti. Sgt. Webber has completed part time officers certification school, radar ertification school, police property control, and warrants & complaints courses. Sgt. Webber has also qualified with firearms. Sgt. Webber had been placed in charge of animal control for the town. Officer Condon has completed radar certification school and has qualified with firearms. Officer Mileti has attended radar courses and has also qualified with firearms. All officers have attended a course on O.H.R.V. laws sponsored by the Sullivan County Sheriff's Office, and have attended other training classes.

The new cruiser has been a great asset to the department. A radar unit has also been purchased and this has greatly reduced the number of complaints from the residents about speeders throughout the town.

The following is a complete breakdown of the calls handled by the Police Department in 1989.

Department in 1909.

Leo M. Berquist Chief of Police

LEMPSTER ANIMAL CONTROL REPORT TO TOWN 12/31/89

To the residents and taxpayers of the town of Lempster. 1989 has been a busy year with a large increase in the number of dog and animal related calls. In 1988 there were only 47 calls. This year in 1989 the animal control officer responded to 106 calls which was an increase of 226% over the previous year. There will be a lot of new changes to the animal laws starting in January of 1990. These will reflect steep increases in the amount relating to fines, civil forfeitures, and license fees.

I am looking forward to working in harmony with the dog and animal owners of the town.

Following is a complete breakdown of the calls handled by the animal control officer in 1989.

1 2000,	
Total Number of Dogs Licensed	129
Total Number of Loose Dogs Picked Up	10
Total Number of Dogs Disposed of	3
Dogs Licensed as a Result of Dog Officer	35
Amount Collected in License Fees by Dog Officer	\$168.00
Amount Collected in Penalties by Dog Officer	\$90.00
Amount Collected in Fines Issued by Dog Officer	\$20.00
Total Number of Dog Bites Reported	9
Total Number of Dog Calls Handled	72
Total Number of Misc. Animal Calls Handled	30
Number of Animals Taken to Staples Clinic	4
Number of Animals Taken to ASCPA Pound	0
Number of Cases Taken to Court	3
Found Guilty - Placed on File	3
Found Guilty - Paid Fine	0
Found Not Guilty - No Fine Paid	0
Number of Abatement Orders Issued- 1st	12
Number of Abatement Orders Issued - 2nd	1
Number of Verbal Warnings Issued Dog & Animal	23

CONSERVATION COMMISSION 1989 REPORT

The Conservation Commission meets the second Tuesday each month at 7:30 p.m. at the Selectmen's Office.

On May 13th our annual roadside cleanup took place. Organizations that participated were the local Cub Scout Pack and the High View Church Farm. We thank all those who helped and would appreciate much more townspeople participation in our 1990 roadside cleanup.

Other matters which have concerned the Conservation Commission this year are; Many Wetlands Permits, Wetlands Timber Harvesting Meeting, Long Pond Protective Association Meetings, Contract for Harvesting of five thousand board feet of blow-down in the Town Forest, submitted to State the requested update of all Lempster Dam site locations and conditions. Also of concern are limiting the horse power of outboard motors, use of Jet Skis, beach conditions and protecting the Loon population at Long Pond.

Plans for next year include sending one or more 8th through 10th grade persons to Conservation Camp for one week. Interested candidates should contact any Conservation Commission member.

NOTICE SOME REGULATIONS NEEDING PERMITS

- (1) CONSTRUCTION OF A NEW SEPTIC SYSTEM OR ANY ALTERATION OF THE COMPONENTS OR DESIGN OF EXISTING SYSTEMS.
- (2) CONSTRUCTION ACTIVITY IN OR ON A RIVER OR STREAM BANK OR SHORELINE,
- (3) ANY ALTERATION OF LAND INVOLVING MORE THAN 100,000 SQUARE FEET (ABOUT 2-1/3 ACRES),
- (4) ANY LAND ALTERATION WHICH CHANGES NATURAL RUNOFF,
- (5) DREDGING OR FILLING IN WETLANDS, INCLUDING DUMPING SAND FOR BEACHES (WETLANDS INCLUDE MARSHES, SWAMPS, RIVERS, BROOKS, LAKES AND PONDS).

 BUILDING A STRUCTURE (BOATHOUSE, DOCK, ETC.) IN OR ADJACENT TO ANY WATERS OF THE STATE.

 POSTING OF A PERMIT AT THE CONSTRUCTION SITE IS REQUIRED BY LAW. THE WETLANDS BOARD MAY ORDER REMOVAL OF WORK DONE WITHOUT A PERMIT AND FINES MAY BE LEVIED FOR VIOLATIONS. APPLICATIONS

UNDER RSA 428A ARE REVIEWED BY THE LEMPSTER

CONSERVATION COMMISSION.

Milton F. Marsh Secretary

LEMPSTER PLANNING BOARD REPORT 1989

The following is a list of the subdivision requests which the board handled in 1989.

High View Church Farm had a two-lot subdivision on Juniper Drive and Nichols Road approved in January. In March Andrew Kapchensky had two lots on Hurd Pond Road and in April Henry Frank swapped land with the Town to allow for a larger transfer station on Lovejoy Road. Raymond LaGasse received a two-lot subdivision on Lovejoy Road as well in May. Also in May the Bard-Zehnbauer two-lot subdivision was approved on Tucker Road.

June brought a two-lot subdivision on Route 10 for David Williams and Arthur House, known as Lempster Common Associates.

Throughout the year, the board worked with Greater New England Co. and the town's fire department to create a suitable fire pond plan for Lovejoy Road and in July we gave the subdivision conditional approval subject to completion of the pond. We have given several extensions of time but to this date, no word has been received regarding the completion.

In September, there was another Hanson subdivision on Pitkin Road. This was conditionally approved subject to necessary widening of the road and finally approved when the Selectmen notified the board of their satisfaction. In December the board granted a two-lot subdivision on Route 10 for the Gravelles.

Our other business concerned our designation as the Capital Improvement Program planners for the town. Our many hours of work during these first two years under Rudy Adler's direction have provided the Selectmen with structured expenditures and anticipated department needs.

We know that new purchases have a major affect on taxes. However, when they are necessary as they have been, funds already set aside for their purchase will help to offset the shock. We set aside these funds within certain guidelines while considering all the requests presented.

Some departments had no input this year. This ties our hands somewhat but we expect the situation to improve. We are certain that maintaining this schedule with everyone's cooperation will be a valuable asset to the town.

Thank you for your continued support and interest. You are always welcome to the public meetings held the second Monday of every month from 7 - 10:30 p.m.

Yours for good planning Frances J. Jacobsen, Chairmen Lempster Planning Board

LAKE SUNAPEE HOME HEALTH CARE, INC. 1989 REPORT

Lake Sunapee Home Health Care, Inc., a non-profit, Medicare certified, statelicensed Home Health Care agency, provided health care services to people, regardless of their ability to pay, in 17 towns in Merrimack and Sullivan counties. These services were paid for by Medicare, Medicaid, private insurance, client fees, town and municipal appropriations, grants and contracts, United Way funds, and donations from individuals and businesses.

In 1989, we provided 6,766 nursing and therapy home visits and more than 12,425 homemaker/home health aide hours; cared for more than 455 children at our child health clinics; and conducted adult foot care, flu, and blood pressure clinics.

The following chart is a summary of the services provided to people in Lempster in 1989:

Home Care Program	
Nursing	49 visits
Physical Therapy	14 visits
Homemaker/Home Health Aide	118 visits
Health Promotion Program	
Maternal Child Health	16 clients
Child Health Clinics	3 clients
Health Education	3 clients
Parent/Child Program	2 clients
Adult Health Program	
Foot Care	1 client
Flu Shots	7 clients
Immunizations	1 client

The staff of Lake Sunapee Home Health Care, Inc. and David Brenner, your town representative on our Board of Trustees, thank you for your continued support of our services.

Cheryl Blik Executive Director

F.I.R.S.T

FAMILY INTERVENTION, REFERRAL & SUPPORT TEAM REPORT 1989

HAPPENINGS AT F.I.R.S.T.:

- 1. The Christmas raffle was a success. There were many happy winners.
- 2. The Diocese of Manchester awarded the program \$2,500.00.
- 3. The Mental Health Association awarded \$4,000,00
- 4. As of December 31, 1989, financial ties with the City of Claremont came to an end. We will still receive the in-kind services of the office space, etc. but not longer does the City handle our financial obligations.

Being that 1989 was our first complete calendar year of operation I have broken down by month the active clients, number of contacts, contact hours, and referrals on a monthly basis.

Month	Active Clients	Number of Contacts	Contact Hours	Referrals
January	18	154	113.75	08
February	18	169	93.00	06
March	23	277	177.50	11
April	21	210	110.25	03
May	26	211	110.25	07

As you can see for our first calendar year of operation we were quite busy with clients but this also does not involve all of the hours that were put into speaking engagements, grantwriting, the running of the program. . .

Below please find in brief the statistics for the Town of Lempster since the F.I.R.S.T. program availed itself in your locale in June 1989.

Month	Active Clients	Number of Contacts	Hours Spent	
June	2	12	03.75	
July	1 (HOLD)	0	0	
August	0	0	0	
September	1	7	01.75	
October	1	11	03.25	
November	2	12	03.75	
December	2	14	02.25	
TOTALS	3	56	14.75	

In July, 1 Lempster youth moved to Unity, the other youth was on HOLD due to being out of town for the summer.

In November another referral was made. We have met with the officials of the Goshen-Lempster Cooperative School. We have spoken with many individuals on referrals here and to other agencies. We may be opening a satelitte office in Newport but in the meantime, the school has stated we can meet with clients/families there if needed. This does not mean we will be seeing youths during

school time but is an effort so that residents do not have to travel to Claremont. If there are any questions or concerns please do not hesitate to contact me at 542-2735.

Sincerely, Holly Hoisington, Director

NEWPORT SENIOR CITIZENS, INC. 1989 REPORT

The Sullivan Nutrition Program administered by the Newport Senior Center, Inc., would like to express their gratitude for your recent donation to the Meals on Wheels program.

It is gratifying to know that the communities of Sullivan County are aware of the need for additional funding for this program. The State and Federal agencies simply do not recognize the growing numbers of elderly who depend on this service, not only for the nutrition, but also the many services provided to improve the quality of their lives and maintain their independence.

The following is an accounting of the \$500.00 the Town of Lempster alloted the Nutrition Program. We thank you so much for your generosity.

Lempster Residents Only

Month of May, 1989	
2 meals a day @ 3.15 for 20 days	\$ 72.00
Month June 1989	
2 meals a day @ 3.15 for 22 days	138.60
Month of July, 1989	
2 meals a day @ 3.15 for 21 days	132.30
Month of August, 1989	
2 meals a day @ 3.15 for 19 days	119.70
Month of September, 1989	
2 meals a day @ 3.15 for 21 days	132.30
TOTAL I	\$504.00
TOTAL	\$594.90

Sincerely, Ruth Gardner, Project Director Sullivan Nutrition Newport, N.H.

SULLIVAN COUNTY HOSPICE, INC. 1989 REPORT

Sullivan County Hospice, Inc., is completing its fourth year of services to this community. The Hospice Board of Directors proudly reports that the program continues to successfully fulfill its mission by providing volunteer services to several hundred terminally ill patients and their families and offering educational information regarding this issue to the community at large. Therefore, we feel that Hospice has become an integrated part of the health care team and social service network.

Hospice has also gratefully received individual and community financial support. Personal donations, United Way Funds and town grants contribute to our fundraising efforts in addition to membership dues and raffles. Efficient management from our part-time program coordinator and dedicated volunteers keep our expenses within the annual budget. In turn, each annual report, financial application and personal contact (e.g. when selling a raffle ticket) gives us a secondary opportunity to discuss Hospice.

This "spreading-the-word" or discussing Hospice continues to be vital to our work. The discomfort of talking about death, the fear we all have when facing this, is the biggest obstacle to our success. This obstacle is seen over and over again when a patient puts off seeing the doctor; when a family member says, "Hush, don't tell him his diagnosis;" and when professionals are not comfortable enough to offer Hospice as an optional service. Helping to overcome this difficulty in talking about the fact that death is real is a major part of Hospice's work in our life-saving, highly technological society.

As I finish my last term as Board Chairperson and last term as Board Chairperson and last year on the Board, I see how much I have learned about working with these issues as well as the tasks of organizing a non-profit business. Board members have shared personal sensivity and insight to these problems as well as professional administrative skills.

I wish to thank the entire community for its continued support. It is their participation that continues to provide excellence in Sullivan County Hospice Services - today and in the years to come.

Jo-Anne Bushey Chairperson

UPPER VALLEY-LAKE SUNAPEE COUNCIL 1989 REPORT

The Upper Valley-Lake Sunapee Council is a public, non-profit voluntary association of towns and cities. It consists of 28 communities in New Hampshire and 3 in Vermont, and includes towns in 5 counties.

The Council operates through a Board of Directors and has a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two or three representatives to participate on the Board of Directors. The Board elects officers, adopts an annual work program and budget, and develops policies and positions on issues that are important to our communities.

Your support enables the Council to undertake comprehensive regional planning and to carry out various projects and programs of regional benefit. Over the past year, the Council:

- Participated in a statewide dialog regarding Impact Fee legislation during the legislative session in N.H.
- Sponsored local sessions of the N.H. Municipal Law Lecture series.
- Completed a comprehensive study of public transportation in the region.
- Worked closely with the Upper Valley Land Trust, Society for the Protection of N.H. Forests, the Trust for N.H. Lands, and the Connecticut River Watershed Council to protect open space and conserve important parcels of land.

The Upper Valley-Sunapee Council also provides specific services to communities on a contract basis. During the past year, the Upper Valley-Lake Sunapee Council provided the following direct services to the Town of Lempster:

- Continued to sponsor and administer the Sullivan County Economic Development Council, which obtained grant funding for the Sullivan County Rural Enterprise Development Strategy, a new report which contains useful information regarding future economic development in Lempster.
- Provided telephone consultation and advice to the Planning Board on a number of occasions.
- Reviewed Lempster's Excavation Regulations.

The Upper Valley-Lake Sunapee Council looks forward to serving your community during the coming year. Please feel free to contact us whenever we can be of assistance.

Bruce D. Bender Executive Director

HISTORICAL NOTE FROM SOO NIPI MAGAZINE — JULY, 1988

(Copied with permission)

LEMPSTER

Leominister, Massachusetts, and Lempster, New Hampshire have something in common, as they were both named after the town Leominster, in Northamptonshire, England. Leominster, Massachusetts was named after the Earl of Leominster, while Lempster was named after Sir Thomas Fermor of Lempster, whose name is a contraction of Leominster.

Sir Thomas who later became Earl of Pomfret, owned the ancient manor at Easton-Neston. Here, in his galleries designed by Sir Christopher Wren, he assembled one of England's earliest art collections, which included paintings, statues, and other art treasures.

Originally, Lempster was granted as "Number Nine" when Governor Jonathan Belcher of Massachusetts created the nine numbered towns in 1735. In 1753, Governor Benning Wentworth regranted the town, which was given the name Dupplin, after Sir Thomas Hay, Lord Dupplin of Dupplin Castle, Scotland.

Lord Dupplin held many government posts, including Lord of Trade and Plantations, Lord of the Treasury, and was also in charge of the colonization of Nova Scotia. He had a genuine interest in the colonies in New England.

Eight years after grants had been made to a large number of individuals to settle in Dupplin, it appeared that the terms of the original grants had not been carried out, so the grants were revoked. At this point, the town was regranted as Lempster, after Sir Thomas Fermor of Lempster, who was related by marriage to the Wentworth governors in New Hampshire.

Among the well-known people who have hailed from Lempster are the Bingham family, one of whose members was a classmate of Daniel Webster at Dartmouth. James H. Bingham and Webster corresponded for almost fifty years, and this correspondence contains some of the earliest collected letters of Webster.

Alonzo Ames Miner also called Lempster home. Miner, who gave \$40,000 for the Divinity Hall at Tufts Theological School, was president of Tufts College for twelve years.

SCHOOL WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Goshen-Lempster School District qualified to vote in district affairs.

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster the 17th day of March, 1990, at 3 o'clock p.m. to act upon Articles 1, 2 and 3, the meeting to be recessed and opened again at 7 o'clock p.m. to act upon the remaining articles in the warrant. (Articles 4 through 10)

ARTICLE 1.

To choose a moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Lempster for the ensuing five years.

ARTICLE 3.

To choose an auditor for the ensuing year.

ARTICLE 4.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 5.

To see if the district will vote to no longer provide and fund the class of Kindergarten. (This article is included by petition.)

ARTICLE 6.

To see if the district will vote to raise and appropriate the sum of \$1,535,000 as recommended by the school board, for the support of the schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at \$212,129.

ARTICLE 7.

To see if the district will vote to raise and appropriate the sum of \$50,000 as a deficit appropriation to the 1989-90 budget for the purpose of meeting the unexpected additional cost of Special Education and heat.

ARTICLE 8.

To see if the district will vote to raise and appropriate a sum of \$25,000 for the support of additional instructional personnel to deal with increased number of students.

ARTICLE 9.

To see if the district will vote to raise and appropriate the sum of \$15,002 for the support of a half-time guidance counselor.

ARTICLE 10.

To see if the district will vote to raise and appropriate the sum of \$5,587 to increase the time of the school nurse from one-fifth to half-time.

ARTICLE 11.

To see if the district will vote to raise and appropriate the sum of \$5,540 to increase the school secretary's time from part-time to full-time.

ARTICLE 12.

To see if the district will vote to have the high school students educated in the Goshen-Lempster school and authorize the School Bord to use the high school tuition money in the budget for this purpose. (This article is submitted by petition.)

ARTICLE 13.

To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District Meeting, money from any source which becomes available during the fiscal year, as outlined under RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money. (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

ARTICLE 14.

To transact any other business that may legally come before this meeting. Given under our hands at said Lempster this 21st day of February.

MINUTES OF THE ANNUAL MEETING OF THE GOSHEN-LEMPSTER SCHOOL DISTRICT MARCH 13, 1989

ON A MOTION BY DORIS CAMPBELL AND A SECOND BY JOHN FABRYCKY, THE POLLS WERE OPENED AT 3 PM FOR TH PURPOSE OF VOTING ON ARTICLES 1, 2 and 3.

The meeting was recessed until 7:00 p.m. by Moderator John Williams.

The meeting was called to order at 7:00 p.m. by Moderator John Wiliams. All board members were present along with Superintendent John Sokul and Principal John Bonfiglio.

An explanation of the role of the public and the moderator was given by Moderator John Williams

Article 1:

John Wiliams was elected Moderator for a one-year term by 45 out of 50 votes.

Article 2:

John Hopkins was elected for the five-year School Board position for the town of Goshen with 33 votes. Other votes cast were: John Scranton-5, Roy Balla-1, Ernest Dennis-1, Henrietta Hodgman-1, and Steve Edes-1.

Edward LeClair was elected for the one-year School Board position for the town of Goshen with 47 votes out of 50.

Article 3:

Barbara Chadwick was elected for a one-year term as auditor with 2 votes. Other votes cast were: Fred Smith-1, David Stephan-1, Arthur Jillette-1, Annette Howard-1, Barbara Weir-1 and Margaret Anderson-1.

Article 4:

There was no discussion of Article 4.

ON A MOTION BY DORIS CAMPBELL AND A SECOND BY RUDY ADLER, A VOTE WAS CALLED AND ARTICLE 4 WAS PASSED.

Article 5:

JOHN FABRYCKY MOVED AND EDWARD LECLAIR SECONDED TO ACCEPT ARTICLE 5 AS READ BY THE MODERATOR.

An explanation of the budget increases was given by Chairman Fabrycky following a graph that was handed out to the public. There were several questions and comments about the increase.

STEVEN CASEY MOVED AND PHILIP KEELER SECONDED TO AMEND ARTICLE 5 TO READ "FROM A BUDGET OF \$1,413,196 TO \$1,212,487".

Michael Shklar explained the budget again and asked the public for recommendations on where to cut \$200,000.

A question was raised as to what exactly the teachers were paid. Mr. Sokul read each teacher's salary and years of experience without revealing the names.

ON A HAND COUNTED BALLOT BY MODERATOR WILLIAMS, ARTICLE 5 WAS AMENDED TO READ "A BUDGET OF \$1,212,487". VOTES: 52 YES 27 NO

ON A MOTION BY MICHAEL SCHLAR AND A SECOND BY ELLEN STETSON, THE PEOPLE VOTED TO RECESS THE MEETING AT $8.15~\mathrm{PM}$ FOR $10~\mathrm{MINUTES}$.

Moderator John Wiliams reconvened the meeting at 8:25 p.m.

A MOTION WAS MADE AND SECONDED TO STOP DISCUSSION ON ARTICLE 5, DISCUSSION WAS STOPPED AND THE ARTICLE WAS VOTED ON. THE ARTICLE WAS DEFEATED ON A HAND VOTE OF LESS THAN A 2/3 MAJORITY. VOTES: 52 YES 31 NO

DORIS ADLER MADE A MOTION TO AMEND ARTICLE 5 TO READ "AND A BUDGET OF \$1,330,000".

QUESTION AND DEBATE WAS VOTED TO CEASE ON THE AMENDMENT OF ARTICLE 5.

BY A MAJORITY OF VOTES, ARTICLE 5 WAS AMENDED TO READ "\$1,330,000". VIOLA WRIGHT MADE A MOTION SECONDED BY BRUCE FAIRWEATHER TO AMEND ARTICLE 5 TO READ THE ORIGINAL AMOUNT OF \$1,412,196.

SHAWN BEST CALLED TO CEASE QUESTION AND DEBATE ON AMENDING ARTICLE 5 TO READ \$1,412,196 AND NATHANIEL KEELER SECONDED.

ON A CALL TO VOTE BY THE MODERATOR, THE MOTION TO AMEND ARTICLE 5 TO ITS ORIGINAL AMOUNT WAS DEFEATED.

JAMES DARREL CALLED TO CEASE QUESTION AND DEBATE ON ARTICLE 5 AND WAS SECONDED BY RALPH KEELER. ON A VOTE OF THE MAJORITY, DISCUSSION ON ARTICLE 5 WAS STOPPED.

ON A MAJORITY VOTE ARTICLE 5 WAS ACCEPTED AS AMENDED AT \$1,330.000.

Article 6:

MARY WALTER MOVED AND MICHAEL SHKLAR SECONDED TO ACCEPT ARTICLE 6 AS READ.

Some questions were asked pertaining to the deficit appropriation.

ON A MAJORITY VOTE, QUESTION AND DEBATE ON ARTICLE 6 CEASED.

ON A VOTE CALLED BY THE MODERATOR, ARTICLE 6 PASSED AS READY BY A MAJORITY OF THE VOTE.

Article 7:

SHAWN BEST MADE A MOTION AND GARY WEIR SECONDED IT TO AMEND ARTICLE 7 FROM \$10,000 to \$2,000.

ON A VOTE CALLED BY THE MODERATOR, THE AMENDMENT TO ARTICLE 7 WAS DEFEATED BY A MAJORITY OF THE VOTE.

Rudy Adler suggested that the Board should include the Capital Reserve monies on the School Budget and identify it as such.

ON A MAJORITY VOTE, ARTICLE 7 WAS PASSED AS ORIGINALLY WRITTEN.

Article 8:

CAROLYN KEELER MADE A MOTION SECONDED BY NATHANIEL KEELER TO ACCEPT ARTICLE 8 AS READ.

Some discussion followed.

ON A MAJORITY VOTE, ARTICLE 8 WAS DEFEATED.

Article 9:

MICHALE SHKLAR MADE A MOTION SECONDED BY VIOLA WRIGHT TO ACCEPT ARTICLE 9 AS READ.

ON A MAJORITY VOTE, ARTICLE 9 WAS PASSED AS READ.

ON A MOTION BY LISA ADLER AND A SECOND BY DOROTHY HATHAWAY, THE MEETING WAS ADJOURNED AT 9:45 PM.

Respectfully submitted, Cynthia Baron Goshen-Lempster School Board Clerk

PRINCIPAL'S REPORT

1989

On the morning of September 7, two hundred twenty bright and cheery faces presented themselves at the main door of the Goshen-Lempster Cooperative School. There was an aura of excitement and curiosity stimulated by the overwhelming presence of the new addition. Initially, only four of the new classrooms were occupied. As everyone began to settle into their routine, the novelty started wearing off, and the pride of the staff and the student body began to strengthen. Student and staff morale was at an all time high and growing. Gradually, additional space of the new building was occupied; it was wonderful to have the room for activities and for lunch.

There were a number of events associated with the school over 1989. Some of those events were:

A representative from Public Service presented a program on January electrical safety to Ms. Bradeen's second grade and Ms. Lord's

fourth grade classes.

February Ms. Thackaberry's seventh and eighth grade gym classes went

for a day of cross-country skiing at the Norske Touring Center

(funded by the PTC).

Two Goshen-Lempster Eighth Grade students placed among the top three in the Daughters of the American Revolution American History Essay contest. Nathan Montgomery was second with his "One Man's Influence" on Thomas Jefferson, and Lauren Winterholer was third with her the "The American"

Dream Through the Eyes of John Hancock".

March Ms. Thackaberry's third and fourth grade gym classes spent an

afternoon of bowling in Newport (sponsored by the PTC).

Ms. Thackaberry organized two P.E. field trips that were April

partially funded by the PTC:

Grades 5 & 6 - Rollerskating (Enfield)

Grades 1 & 2 - Swimming (Lebanon)

On the morning of April 19, a groundbreaking ceremony was held to celebrate the beginning of construction of the new school addition. In attendance were the student body, the staff and many members of the community. A special community member, Mr. Horace Cargin, was lauded for his generous gift of approximately twelve acres of land to the Goshen-Lempster

School District.

May Mr. Ekstrom's fifth grade and Ms. Wells sixth grade classes

conducted a field trip to the Museum of Science in Boston.

Ms. Maxfield's third grade class and Ms. Pedley's Resource

Room students spent a day at sea on a Whale Watch.

June Everyone enjoyed a day of field events on a Field Day organized by the staff just prior to the closing of school for the summer.

Eighth Grade graduation was held at the Lempster Town Hall

on the evening of June 19, possibly the last time it will be held

outside of the school. Christine Hurd was the class

Valedictorian: Joshua Janicke was the class Salutatorian: and Lauren Winterholer received Third Honors. School Board Chairman John Fabrycky issued diplomas, and the Reverend

Lillian Warner gave the Invocation and the Benediction. A reception was held at the Lempster Grange Hall. Refreshments, flowers, and the graduation cake were provided by the PTC.

Summer

A European workcamp consisting of sixteen college students and professionals from England, Estonia, France, Bulgaria, and the Soviet Union spent the last week of summer vacation assisting the staff in getting ready for the opening of school. They painted, cleaned, moved furniture, and did ground work. The Europeans lived at School Board Chairman Ted LeClair's house for the week.

September

The new school year started with two new teachers joining the staff, Ms. Sharon Parsons (Grade 3) and Ms. Nancy Bronder (Grade 7 & 8 Science and Math). A familiar face returning to help out with janitorial duties on a part-time basis was Charles (Bud) Newton.

Ms. Rita Purmort provided the PTC with a \$1,000.00 donation toward the Playground Building Fund in memory of her husband Richard Purmort.

The Eighth Grade Class, under the direction of class advisor Ms. Patrice Brewer, kicked-off their fund raising for the year with a magazine sales campaign and a car wash. The students also began a school wide year book project. The dollars earned go toward funding an end of the year class trip.

The teaching staff began formalizing the Language Arts curriculum into a written statement. As of last Spring, the Language Arts development process was completed, and the materials were selected. By next September, the curriculum focus will be on Mathematics.

October

The students began a five month reading incentive program called **BOOK IT** which is designed to motivate students to read more, at home and at school. Weekly and monthly reading goals are set; the student who reaches his/her goal is rewarded with a free pizza certificate.

Ms. Bradeen's second grade students held a career day presentation for their parents. The program consisted or each student donning a costume of their parent's trade and role playing the part.

On the evening of October 5, Ms. Williams and her transitional first and first grade students held a potluck dinner for the students' parents at the school. The dinner was a huge success, allowing everyone to get acquainted, to view the students' work, and to maximize parent/teacher communication.

On the afternoon of October 31, the students and staff participated in costume Halloween parade on the school grounds. Many parents were in attendance to witness the event.

November

This year's Open House, November 16, had a record number of people in attendance. Teachers and parents visited and discussed classroom activities. Present were many other townspeople, anxious to see the new addition. The Eighth Grade Class provided refreshments.

Ms. McGinnis held a Library Book Fair which gave everyone the

opportunity to purchase quality books for children of all ages. The Fair raised over \$400.00 for the puchase of library equipment.

The PTC concluded two fund raising activities (Christmas catalog and Thanksgiving basket) which contributed a total of nearly \$3,000.00 toward the Playground Building Fund.

December

On the evening of December 15, Ms. Gates and her music students presented a Holiday Assembly for parents and friends. The unquely creative program was enjoyed by over four hundred people in the new gymnasium.

Lempster Fire Chief Phillip Tirrell delivered poinsettias and artificial Christmas trees to all of the classrooms. The much appreciated gift from the Lempster Fire Department was a gesture to (in the words of Chief Tirrell) "help create a more joyous atmosphere for both the students and teachers at our school".

The growth rate for the school (in terms of population, structural changes, and curriculum demands) has been incredible. The process of growth, although difficult, has been eased by the support and hard work of the quality personnel associated with the Goshen-Lempster School. The teaching staff and the support staff have been creative, innovative and completely flexible throughout the inconvenience of construction. The School Board has been both responsive and responsible in answering the needs of the Goshen-Lempster School. Superintendent Sokul, who is retiring in January 1990, spent his last year in office as the key agent in guiding us through the process of the building bond issue (we will certainly miss him). Members of the community, the PTC, and even the Goshen-Lempster Boy Scouts all pitched in to get the school ready for opening in September.

The past year has been one laden with growing pains for the school and the community. The school is the focal point of the process for it is immediately affected by the increase in population. Growth is always painful at the outset, but following the period of growth is a period of new and greater strength. The Goshen-Lempster Coooperative School is better than it ever was. It is an attractive facility with a caring and articulate staff. It is a school that the staff, the students, and the citizens of the community can be proud of.

Respectfully submitted, John Bonfiglio Principal

REPORT OF THE DIRECTOR OF SPECIAL EDUCATION

The Goshen-Lempster Cooperative School District works to provide an appropriate special education program to every student between the ages of 3 and 21 who resides in the district and needs such services. When a student is referred as a possible candidate for special education services, our local team of regular and special educators decides if further information is required, and, if necessary, carries out an evaluation plan. If a student is found eligible for special services, then an Individual Educational Plan is developed in cooperation with parents and the school team. Later, the same people are involved in deciding where the educational program can best be carried out.

Our first priority is to try to educate every student within our neighborhood schools whenever possible. We attempt to provide support to regular class teachers so that educationally handicapped students can be mainstreamed to the greatest extent. Most schools in School Administrative Unit (SAU) #43 have resource rooms that assist students in their difficult subject areas. Some schools have special "self-contained" programs working with students who require small classes, special groupings, or special curriculums. Some students may be mainstreamed in regular classes with the help of an individual aide. Other students may have to be enrolled in out-of-district programs operated by the SAU, other school districts, or private providers.

Special Education is a serious decision to make about a young person. We want to make sure that only students who really require such services get such services. We also want to be sure that students who get special education services receive them in the most natural, least restrictive, and neighborhood setting it is possible to provide. Most of the time, we reach this goal in a reasonable manner. Sometimes the unique needs of the student require that placements out of neighborhood be found. For these students, our goal is to bring them back to local programs as soon as possible.

In the future, we will see more locally situated programs for students with special educational needs. Regular class teachers will become more involved in learning how to deliver educational services to special needs youngsters right in our classrooms.

The success of our special education programs depends upon the ability of special and regular class teachers, parents, and special service providers to work together to develop good educational plans and to carry them out. For the most part, we see his happening in the Goshen-Lempster Cooperative School District. We are working hard to meet the federal mandate of a free and appropriate public education for every educationally handicapped student!

Arthur G. Jillette, Jr. Director, Special Education
